

The following information is current at the time of publication and is subject to change at any time without notice. This information is provided as general guidance only for US, Canadian, German, Dutch, Australia, New Zealand, Swiss, Austrian, UK, Brazil, Mexico and Romania passport holders.

Since requirements vary for each nationality, we recommend all travelers verify individual nationality requirements with a visa service provider such as VisaCentral or their local consulate.

It is your responsibility to be in possession of the proper travel documents for your cruise. Guests arriving at the pier without proper documentation may be denied boarding and would not be eligible for a refund.

## Mainland China- Shanghai embark/disembark- 144 hour visa exemption

- Nationals of Australia, Austria, Brazil, Canada, Germany, Mexico, the Netherlands, New Zealand, Romania, Switzerland, the USA and the UK:
  - Visa is required unless you qualify for the 144 hour visa exemption.
    - Guests with a traditional Chinese visa will be free to travel in China.
  - Visas must be obtained prior to sailing, are not available upon arrival and must be valid until departure from China.
  - If embarking in Shanghai and are planning to use the 144 hour visa exemption, all of the following requirements must be met:
    - Must hold a passport from one of the 53 countries whose citizens are eligible for this exemption.
    - Must arrive in China within 144 hours of the ships departure.
    - Must remain within the Yangtze River Delta Region this entire time, which means you must arrive at one of the following airports:
      - Shanghai Pudong International Airport (PVG)
      - Hangzhou Xiaoshan International Airport (HGH)
      - Nanjing Lukou International Airport (NKG)
    - Must fly directly to China from a country other than the first country visited on your cruise, even if you are not changing planes or leaving the airport.
      - You must advise the airline of your intent to use the visa exemption.
  - If disembarking in Shanghai and are planning to use the 144 hour visa exemption all of the following requirements must be met:
    - Must hold a passport from one of the 53 countries whose citizens are eligible for this exemption.
    - Must depart China within 144 hours of the ships arrival.
    - Must remain within the Yangtze River Delta Region during this entire time, which means you may only fly out of the following airports:
      - Shanghai Pudong International Airport (PVG)
      - Hangzhou Xiaoshan International Airport (HGH)
      - Nanjing Lukou International Airport (NKG)
    - Must fly directly from China to a country other than China or the last country visited on the cruise. This means that your flight cannot stop over in China or the port visited prior to arrival to China before reaching another country, even if you are not changing planes or leaving the airport. Transits through Hong Kong are permitted.
  - All guests must bring two photocopies of their passport photo page on letter- or A4 paper to cruise check-in. Guests should also bring two copies of their homeward travel arrangements. One will be presented at check-in, and one must be presented to Chinese immigration authorities along with your passport when disembarking the cruise.

- More information can be found regarding this exemption by visiting <http://www.sh-immigration.gov.cn/listPageEn.aspx?lx=40&id=4414>.
- More than one exemption may be applicable to your voyage.
- We are not able to offer assistance with obtaining the Chinese visa onboard the ship.
- Nationals of countries not listed above should verify their requirements with their local consulates or visa service provider.

### [Return to Destination List](#)

## Mainland China- Shanghai embark/disembark- 24 hour visa exemption

- Nationals of Australia, Austria, Brazil, Canada, Germany, Mexico, the Netherlands, New Zealand, Romania, Switzerland, the USA and the UK-
  - Visa is required unless you qualify for the 24 hour visa exemption.
    - Guests with a traditional Chinese visa will be free to travel in China.
  - Visas must be obtained prior to sailing, are not available upon arrival and must be valid until departure from China.
  - If embarking in Shanghai and are planning to use the 24 hour visa exemption you must be arriving within 24 hours before the ships departure from Shanghai.
    - This option is available to all nationalities, and you must physically leave China within 24 hours of the ships departure.
    - You must remain within the Yangtze River Delta Region this entire time, which means you must arrive at one of the following airports-
      - Shanghai Pudong International Airport (PVG)
      - Hangzhou Xiaoshan International Airport (HGH)
      - Nanjing Lukou International Airport (NKG)
    - You must fly directly to China from a country other than the first country visited on your cruise, even if you are not changing planes or leaving the airport.
      - If you have booked air through Seabourn and are planning to utilize the 24 hour visa exemption and your flights do not meet the requirements, please contact us to review your options.
      - If you have booked your own air you must advise your airline of your intent to travel without a visa.
  - If disembarking in Shanghai and are planning to use the 24 hour visa exemption you must be departing China within 24 hours of the ships arrival to Shanghai.
    - This option is available to all nationalities, and you must physically leave China within 24 hours of the ships arrival.
    - You must remain within the Yangtze River Delta Region during this entire time, which means you may only fly out of the following airports:
      - Shanghai Pudong International Airport (PVG)
      - Hangzhou Xiaoshan International Airport (HGH)
      - Nanjing Lukou International Airport (NKG)
    - You must fly directly from China to a country other than China or the last country visited on the cruise. This means that your flight cannot stop over in China or the port visited prior to arrival to China before reaching another country, even if you are not changing planes or leaving the airport. Transits through Hong Kong are permitted.

- All guests must bring two photocopies of their passport photo page on letter- or A4 paper to cruise check-in. Guests should also bring two copies of their homeward travel arrangements. One will be presented at check-in, and one must be presented to Chinese immigration authorities along with your passport when disembarking the cruise.
- More than one exemption may be applicable to your voyage.
- We are not able to offer assistance with obtaining the Chinese visa onboard the ship.
- Nationals of countries not listed above should verify their requirements with their local consulates or visa service provider.
