SEABOURN VENTURE: DESIGNED FOR DISCOVERY

- The shared guest areas on board Seabourn Venture are masterfully designed by luxury hospitality icon Adam. D. Tihany to facilitate the ship's prime objectives:
- A casually elegant, luxury-rich environment encourages an engaging onboard social life, supporting the unique camaraderie born of sharing stimulating adventures.
- Technically proficient features offer quick and easy access to and return from immersive off-ship expedition activities.
- State-of-the-art facilities enhance the important learning aspects of each voyage.
- 2,750 square meters of open decks, creating many opportunities for guests to have the most desirable viewing experiences.

DISCOVERY CENTER

The Discovery Center is the place to gain in-depth knowledge of every place of interest you encounter in your journey. In this theater — which can accommodate all guests on board at once — our world-class, 26-person Expedition Team routinely delivers fascinating, interactive lectures on topics pertinent to the region where guests are sailing (with the help of an over-30-foot-wide, high-definition screen).

SEABOURN SQUARE

A spot for enjoying your daily newspaper, socializing with your fellow guests, discovering a good book, or getting a little work done (but hopefully not too much of the latter...), this club-like environment is designed for equal parts productivity and relaxation. It's as much a place to escape as it is to reconnect with the world on-shore.

LANDING ZONE

The Landing Zone is the area where exploration begins. There are two landing zones, port and starboard side on Deck 3. The launch and recovery point for landings, it's a spacious environment where guests change and clean their gear in comfort, as well as a place to store excursion essentials like boots. It's designed for functionality, accessibility and ease, offering direct access to one of the 24 Zodiacs® available for Ventures by Seabourn® adventures. In tropical areas, it's the place to kick off snorkeling and similar undersea adventures.

UNRIVALED DINING EXPERIENCES AT SEA

Dining is an important facet of Seabourn's hospitality. Our skilled culinary team produces fresh, delicious and memorable cuisine equal to the finest restaurants anywhere, even as we sail in the most remote destinations. All dining options are complimentary, as are fine wines selected by our sommeliers. Cocktails, wines and other beverages are complimentary everywhere on board.

Seabourn Venture offers guests an appealing array of tempting dining experiences including:

- **THE RESTAURANT** Fine dining in an elegant, open-seating dining room for breakfast, lunch and dinner

COMPLIMENTARY BEVERAGES THROUGHOUT YOUR VOYAGE

BRIAN VAN FLANDERN,
MASTER MIXOLOGIST

Like our dining choices, the service of fine wines, spirits, and indeed any sort of beverage on board is an integral part of our hospitality. In any of the ship's bars and lounges, and while relaxing on the open decks, you are free to socialize in a club-like atmosphere where nobody has to pick up a tab.

To further enhance your sensory experience, Seabourn enlisted the expertise of master mixologist Brian Van Flandern to create exclusive fine craft cocktails.

Brian is a passionate practitioner of the art of blending distinctive spirits with a variety of fresh ingredients to create flavor profiles that are as delightfully surprising as they are delicious. Our bartenders have enthusiastically embraced this art of amiable alchemy and are eager to share it with you during your voyage.
