Please note the following important information:

*All visitor pass requests must be received at least 96 business hours prior to sailing to ensure that they can be processed in time for any request requirements for the port.

*A SBN Security Officer will have cleared all visitor names on a manifest at the gangway.

*Visitors are required to show Government Issued Picture Identification (ie. State Drivers License, State ID Card, Passport, or Military ID)

*Please be aware that for safety reasons, the ship's staff can at any time, and for any reason, deny boarding to any individual--regardless of their possessing picture ID, a permanent boarding pass, or authorization to board from the Marine Operations Department.
